EXPERIENCE

FEB- MAY- 2023 MAXGEN TECHNOLOGY PVT LTD

- Creating Flutter Application
- Work on Jewelline E-commerce Application.
- Users can browse through a wide variety of exquisite jewelry pieces, including necklaces, earrings, bracelets, rings, and more.
- The app provides high-quality images and detailed descriptions of each item, enabling customers to make informed decisions before making a purchase.
- Whether users are searching for a gift or adding to their personal collection, the app provides a one-stop destination for all their jewelry needs.
